

MONEY TALKS:

In groups of three, discuss these questions:

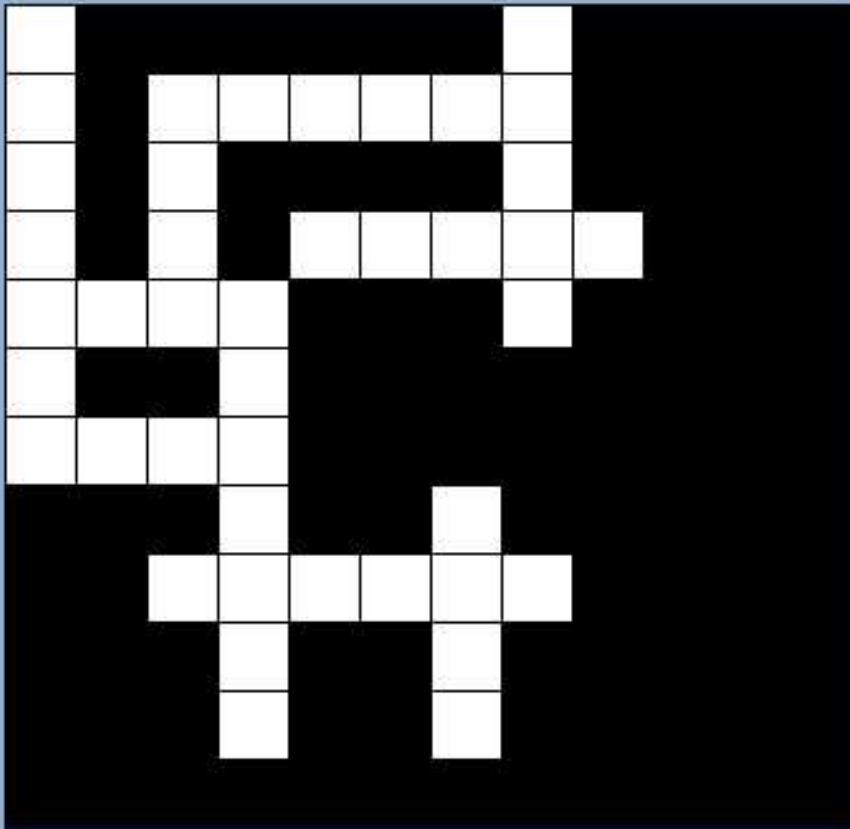

- 1.- What's the currency in your country?
- 2.- What's the exchange rate with the British pound or US dollar?
- 3.- What's the average salary for a nurse, teacher, lawyer, doctor, policeman?
- 4.- How important is money in people's life?
- 5.- Think about some ways of getting rich .
- 6.- What's the rate of VAT in your country?
- 7.- Are you good at saving money?
- 8.- Why do people save money?

Imagine you win 1 million Euros in the lottery. You are a big spender by nature. What do you do with it?
