

## RECORDING SCRIPT

Hi, My name is William Parker, but my friends call me Will. I'm twenty-one years old and I live in London.

I was born in 1992 in Madrid, so I'm Spanish.

I speak English too because my parents are from The United States.

I have got a big family: three brothers and two sisters. My brothers Paul and Frank are married and my two sisters and Tony are single.

My parents' names are Alice and Paul. They are friendly, hard-working, funny and good-looking. I love them because they're my parents and because they are wonderful people.

I'm not working at the moment. I'm unemployed, but I'm looking for a job. I need money. I am a tour guide, and I love my job, but there are a lot of tour guides in the labour market, so it's not easy to find a job as a tour guide.

I am single, but I've got a beautiful girlfriend. Her name is Cindy Nerow and she's poor too. She's studying Law at Oxford university.

I love sports. I play football every day and I'm part of a local team. I have a lot of fun and after our Sunday match, we go for a drink and we have a good time: we talk, we share things and we tell jokes.

My email is [foreveryoung@gmail.com](mailto:foreveryoung@gmail.com). You can write to me any time and you can text me too. This is my mobile phone number. 679 55 00 23.
