

HITCH, The date doctor

HITCH: Basic principles: No woman wakes up saying: "God, I hope I don't get swept off my feet today." Now, she might say "This is a really bad time for me."

Or something like, "I just need some space." Or my personal favourite:

"I'm really into my career right now."

You believe that? Neither does she. You know why?

Because she's lying to you, that's why. You understand me?

Lying. It's not a bad time for her. She doesn't need any space.

She may be into her career...

but what she's really saying is, "Get away from me now."

Or possibly, "Try harder, stupid."

Well, which one is it?

60 % of all human communication is nonverbal. Body language.

30% is your tone. So that means that

90 % of what you're saying...-ain't coming out of your mouth.

WOMAN .- Toby!, Shit!

Of course she'll lie to you. She's a nice person,

she doesn't want to hurt your feelings. What else is she going to say?

She doesn't even know you. Yet.

Luckily, the fact is that just like the rest of us...

even a beautiful woman doesn't know what she wants until she sees it.

And that's where I come in. My job is to open her eyes.

WOMAN.- Oh, my God!

MAN 1.- Is this what you're looking for?

Basic principles: No matter what, no matter when, no matter who...

any man has a chance to sweep any woman off her feet.

Just needs the right broom. You cannot use what you do not have.

So if you're shy, be shy. If you're outgoing, be outgoing.

MAN 2 - I'm not outgoing.

HITCH - That's okay.

She may not want the whole truth, but she does want the real you.

She may not want to see it all at once, but she does want to see it.

So tonight, when you're wondering what to say, how you look, or if she likes you...

just remember, she is already out with you.

That means she said yes when she could have said no.

That means she made a plan when she could have just blown you off.

So that means it is no longer your job to try to make her like you.

It is your job not to mess it up.
