TAKE ME HOME TONIGHT

SCENE 1.- PART 1

TOM: But you like it, right?

TORI: Yeah, yeah, absolutely. Drexel's great. It's a real opportunity for me.

I'll get stock options, great benefits. You know it's really a wonderful...

TOM: What?

TORI: I hate it! I hate my job! Wow, I've never said that out loud before. But I do, I hate it. I do! I hate all of this.

TOM: Really?

TORI: Hate it!

TOM: Gotcha.

TORI: Crazy, right? I just keep thinking, do I really want to do this? Is this what I want to do with my life?

TOM: Is it?

TORI: I do not know, that's the thing. I'm so confused and I really, really don't know.

I'm sorry this must sound ridiculous to you. You're obviously very smart at your job.

TOM: No, no, Tori. Whoa! Are you kidding me? I got this thing that I know I'm good at. And everyone in my life... ..expects me to turn it into a career. I can't stand it.

TORI: I know. I feel the exact same way every day.

TOM: And then there's no turning back! It's gonna be like uh, family and mortgage.

TORI: I know!

TOM: There's no way to quit.

TORI: Yes!

TOM-TORI/ It's a trap!

TORI: God, that sounds so messed up.

TOM: Have you ever played the penis game?

TORI: I'm not prepared to reveal that information, thank you.

TOM: No, it's a real game. I say the word "penis" like really quiet... And then you say it just a little bit louder. Then I say it a little bit louder than that... And the first to stop saying it, loses. Are you ready? Is easy. Penis!

TORI: I don't know...

TOM: Tori, trust me. There is nothing more fun than a job you don't give a shit about losing.

TORI: Penis.

TOM: Penis.

TORI: Penis.
TOM: Penis!
TORI: Penis!
TOM: Penis!!
TORI: Penis!!
TOM: - PENIS!!!
TORI: PENIS!!!
TOM: Let's call it a tie.
.....

PART 2.-

TORI: But you know, maybe if we play it again...
TOM: You want to play "Truth or Dare"?
TORI: Truth or Dare?
TOM: Ok. Wow, uh, truth.
TORI: If I was your high school crush, how come you never asked me out?
TOM: You know... I never had my "in".
TORI: Your "in"?
TOM: Yeah... you know, the right moment. You know the perfect confluence of events. No. I've been telling myself that since high school. And it's bullshit. I had plenty of opportunities to ask you out. I was afraid. Truth. If I had asked you out in high school, would you have said yes?
TORI: That's not fair. If I had known then what I know now...
TOM. Tori... come on.
TORI: No. I probably wouldn't have said yes. Why do you look so relieved?
TOM: Because I am! My biggest regret is not having the balls to ask you out in high school. And now I know it wouldn't have made a difference. Besides which, if I had and you had rejected me, I would have despised you... .. and I wouldn't be sitting here with you right now, having.....having the best night of my entire life.
TORI: Dare! Come over here and bring your lips as close to mine as possible, without touching.
TOM: Truth. Are you messing with me right now?
TORI: Dare. Come and find out! ..Come on...
TOM : Is that good?
TORI: No. Not good. Come closer. What's that sound?
TOM: I think that's my heart... beating like really fast.
TORI: Dare me to make it go faster.
TOM: I double dare you.
