A.- The other day, on Wednesday, we decided to go for a walk with our friends. We called them but we didn't find anybody on the other side of the line. We waited for a while, but we failed again. We were really enthusiastic about the idea, but we couldn't enjoy the adventure. Maybe in the future we will be able to talk. Rachel is a very religious girl. She must be in church.

B.- We were in the English class, when our teacher said: Now, shall we play a funny game? We all shouted as we were excited. Then the teacher painted something on the blackboard with an orange chalk, and he added: Now you must tell what you can see in this picture. We were really surprised, it was like an adventure. At first, it was easy, but later it was hard to find the answer.
